POSTLUDE

RESPONSIVE READING:

Matthew 11:1-10

Leader: And it came to pass, when Jesus had made an end of commanding his twelve disciples, he departed thence to teach and to preach in their cities.

People: Now when John had heard in the prison the works of Christ, he sent two of his disciples,

Leader: And said unto him, Art thou he that should come, or do we look for another?

People: Jesus answered and said unto them, *Go and shew John again those things which ye do hear and see:*

Leader: *The blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached to them.*

People: *And blessed is he, whosoever shall not be offended in me.*

Leader: And as they departed, Jesus began to say unto the multitudes concerning John, *what went ye out into the wilderness to see? A reed shaken with the wind?*

People: *But what went ye out for to see? A man clothed in soft raiment? behold, they that wear soft clothing are in kings' houses.*

Leader: *But what went ye out for to see? A prophet? yea, I say unto you, and more than a prophet.*

... All: *For this is he, of whom it is written, Behold, I send my messenger before thy face, which shall prepare thy way before thee.*

A message from our Pastor

Praise the LORD, Saints!

“Greater is he that is in you” ~ (1 John 4:4 KJV)

PART 2

We learn from our environments as the scripture teaches in Psalm 51:5. All of us are shaped by what’s around us and by what we are exposed too. If we are exposed to haters, we are likely to become haters, too.

Birds of a feather do flock together, but we do not have to remain in what we’re born in. You can leave your environment. There are options available to change our attitudes, demeanors and dispositions, but we must listen to the Savior Jesus Christ. We should listen to the Word of God more closely because He answers many of life’s questions in his teachings and parables.

Several times in the gospels we find where people’s faith changes them instead of Jesus changing them. They exercised their faith options and changed their environments. Jesus is only there for the support. He is there to help identify that inner faith that gives us determination and willpower.

Some of us only need the willingness to believe that we can do all things through Christ who strengthens us. Christ strengthens us by pointing to the inspiration that comes from within. Our determination is driven by that inspiration which empowers the realization of achieving what we desire. Realization comes as a result of mastering our determination.

We master our determination by utilizing the option of connecting with the Master that is in us. “Greater is he that is in you” teaches us that since Christ is in us, we can use our faith in inspiration, determination and realization. He breathed life into us, and it is our responsibility to awaken to His presence. Some will receive him, and some will not. Some prefer the one that is of the world, which is the anti-Christ, and it is he who tries to convince people to be nonbelievers in God and self.

My objective each Sunday and every time I teach, preach, write, counsel, lay on hands or pray, is to ignite the inner you that will allow the Lord Jesus Christ to set your soul on fire and take you higher. Let’s rise up out of the doldrums of life and seek the higher ground reserved for the Saints of God. Awaken to the new you and the new day.

Yours because of Christ Jesus,

Pastor H.B. Robinson, Jr., D. Min.

God bless.

The flowers on the virtual altar are in memory of Charlotte and Vertesia McGee on behalf of their brothers, Brother Hiram & Trustee Ennis & McGee.

Taking it to the Altar

Take your worries, concerns and prayers to the altar and leave them there.

'Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.'

Philippians 4:6-7 (KJV)

GENERAL INFORMATION FOR ALL :

Start the process of cleaning your home, removing debris and sanitizing your basement. And, if you have insurance, you should file a claim with your insurance company.

IF you still have standing water in your basement that you believe is an immediate health hazard, DWSD will send a city or contractor crew to your location. Please make sure to indicate this on the online form, on the Improve Detroit app (choose "Water in Basement") or when you call 313-267-8000.

IF you have bulk items from the flood damage, you can put them out immediately. We have 15 city crews on the streets picking up those items as fast as we can. You will not be ticketed for leaving storm-related debris out at your curb.

Flood cleaning supplies are available at two locations on July 1 and July 2 at 10 a.m. - 2 p.m. at the Patton Recreation Center at 2301 Woodmere and the Samaritan Center at 5555 Conner.

IF you are a senior or a person with a disability and need help clearing debris from your basement, we will have volunteers to assist you. Please indicate if you are a senior and/or a person with a disability on the online form, on the Improve Detroit app (choose "Water in Basement") or when you call DWSD at 313-267-8000.

City of Detroit Flood Information & Available Resources

GENERAL INFORMATION TO FILE YOUR CLAIM :

Start the process of filing a claim

The City of Detroit will make every effort to assist residents including helping with possible reimbursement through the federal government. If your property has flood damage, you may be able to get reimbursement. You can file a claim locally with DWSD and we will be able to file with FEMA if a Presidential declaration of disaster is issued.

Submit the claim using this online form, use the Improve Detroit app (choose "Water in Basement") or call 313-267-8000 if you need assistance completing the form.

It is very important to document your losses with photos of the flood damage and receipts related to cleaning out your basement and repairs. If you have insurance, you should file a claim with your insurance company immediately.

DWSD damage claim information

Under state law, you have 45 days to file a claim with DWSD, which in this case is August 10, 2021. However, this was a historic rain-storm and backups in most cases are not likely due to a local sewer system defect. We will use your claim information to jump start your FEMA process if Presidential disaster declaration is granted.
